

# Misty Pines Kennel

---

At Misty Pines Kennel, we guarantee that this puppy will be in good health at the time of the sale. We stand behind our puppies with a two year genetic health guarantee from the date of sale.

If there is a genetic defect that appears in the two year health guarantee period, we will either replace the puppy with another puppy of equal value, or will give a full refund of the purchase price of the puppy. In this case, we will require a letter of diagnosis form your vet, along with his/her phone number. Misty Pines Kennel will have the option of having the diagnosis confirmed by a vet of their choice before a refund is issued. In the event of a puppy replacement, we will assume no shipping costs.

We, the sellers at Misty Pines Kennel, will not be responsible for any veterinarian costs/bills or shipping/transportation costs that occur after the puppy has left the premises of Misty Pines Kennel.

While at Misty Pines Kennel, our dogs/puppies are fed "4Strong Paws" dog food and we highly recommend that you continue to feed your puppy this dog food. See Food & Nutrition for more information.

We also give our dogs/puppies NuVet Plus which is an immune system builder, not just a vitamin. Due to the varying kinds of food and different environmental conditions the puppies come in contact with; and the fact that all puppies have immune systems that take time to mature, the terms of this guarantee will not be honoured unless they are given NuVet Plus immune system builder, as directed by the manufacturer, for the entire guarantee period. Failure to do so will render this guarantee null and void except where prohibited by law. We also highly recommend you to continue to give your pet NuVet Plus beyond the guarantee period to promote optimal health for a lifetime.

The health guarantee does not cover for any accidents, negligent, or behavioural problems or poisoning.

The health guarantee is void if the puppy/dog is transferred to a new owner.
